

Being a Home for Good Champion

Home for Good exists to find a home for every child who needs one. We believe the Church in the UK is brilliantly placed to help make this vision a reality, drawing more individuals to foster, adopt or offer supported lodgings, providing supportive communities for families, and advocating on their behalf.

Champions

Champions are at the heart of Home for Good

As a Champion, you are part of a nationwide network of people who are passionate about making this vision a reality.

Champions focus their efforts in one or more of the following areas:

- 1** Encouraging their church to consider the need nationally and in their local area, and to help their church community consider how they might respond to this need. With Home for Good, Champions will help their church to become an increasingly welcoming and supportive environment for care-experienced children and their families.
- 2** Practically supporting Home for Good's Engagement Team at local events, conferences, and festivals.
- 3** Developing relationships with local stakeholders in the world of fostering, adoption and supported lodgings.

Champions mainly operate in two spaces:

1. Within their own church

Champions will work with their church leadership to encourage deeper learning and understanding, exploring how their church can become a more welcoming, informed and supportive community for children and young people with care experience and the families who care for them.

2. Within their wider community

Champions may work with their respective Home for Good Regional or Nation Lead to expand Home for Good's reach and influence in their local area.

Our commitment to you

As part of the nationwide network of Champions, we want you to be:

We always want you to feel valued as a Champion and to know how much we appreciate all that you do and bring to Home for Good.

Connected

Home for Good is a network of trustees, staff, churches, Champions and volunteers around the UK. We want you to feel connected to this network, so you know what's going on and your part in that.

Supported

We want to ensure that you feel as supported as possible by our team and our network of other Champions.

Resourced

We want to make sure you have all you need to be the best Champion you can be!
