

Would you rather...?

Would you rather always be 10 minutes late or always be 20 minutes early?

Would you rather super sensitive taste or super sensitive hearing?

Would you rather be forced to dance every time you heard music or be forced to sing along to any song you heard?

Would you rather be able to detect any lie you hear or get away with any lie you tell?

Would you rather have the hiccups for the rest of your life or always feel like you're about to sneeze without actually sneezing?

Would you rather your shirts be always two sizes too big or one size too small?

Would you rather be a character from the last film you saw or from the last book you read?
